Fellow Tigers, we did it again. We grew again in the 2nd Quarter by inducting three new Tigers and bestowing Honorary memberships upon two deserving individuals. Our newest Tigers are Max Haghghi #1189 – San Fernando Valley, Leslie Kaz #1190 – San Fernando Valley, and James Wilkins #1191 – Cupertino. Our newest honorary memberships were given to USJC NVP Dave Pond – South Dakota and our very own Denise Lyons Conrad - Vallejo. Now that they've stepped up to the plate, please make sure and put their talents to work.

The highlight of the inductions was when I announced that Denise Lyons Conrad would be receiving an honorary membership because of all that she had done in support of our Tiger organization. It was sheer delight to hear Greg Conrad complain that the Tiger's meetings was the one place where he could go to get away from Denise and now I had taken that away from him. A phrase comes to mind that fits Greg's situation oh so well. Many of you know exactly what I'm talking about, but I dare not type or utter the words.

Special recognition is in order for the best of your best in the 2nd Quarter:

Tiger Member of the Quarter – Jeanne Vanderhyde

Tiger Officer of the Quarter – Lynne Hansen

Please make sure and congratulate them on their accomplishments. Yes, together we can.

I'm officially at the halfway point of my year as your TT and what a ride it has been. Each one of you make me proud to serve you, but each of you are also truly deserving of praise and recognition from me. You continue to put forth your best and brightest to become Tigers and for that I am grateful. We need to continue to grow our organization to be successful.

I know you've all heard a lot about "change" over the last year. "Change" is the catalyst that we need to make our organization bigger, better, and stronger. That "change" comes about when you continue to identify, nominate, and sponsor deserving individuals from within your chapters to become Tigers. But, with "change" we must maintain and preserve many of the traditions that were put in place way before many of us even came along. The two ideals can be accomplished with an open mind and acceptance from everyone involved. I promise you that we can and will continue to promote "change" while maintaining many of our traditions.

I'd like to take a moment to congratulate one of our own, Robert Acherman, for striving to become the 81st President of the California Jaycees. Robert, your efforts are commended and I hope that we as an organization can continue to benefit from your guidance and leadership. On the same note, I look forward to working with Matt Bromund, the 81st President-Elect of the California Jaycees. Matt has promised to work closely with all of the auxiliaries, especially our Tigers organization, in order to promote the best interests of the California Jaycees.

In closing, I'd like to wish each and every one of you very Happy Holidays and look forward to seeing all of you in 2009.

Nasty Tiger's Report

Happy Holidays California Tigers!!!

Here I sit at work typing my ROAR article and knowing that just around the corner is the first of 2 FOTS (Future Officer Training Schools) for the 2009 California Jaycees. I didn't realize the amount of time and communication that goes into one of these but we are weathering it well. A big thank you goes out to Dianne Bishop for running the live video streaming of the Northern FOTS.

I want to thank the San Jose Jaycees who hosted the last Tiger College - North and to thank our wonderful fellow Tiger, Jeanne Vanderhyde for running such an excellent team building program. If you went there, then you definitely missed out

on one of the best programs I have ever seen us put on. I also want to thank Lynne Hansen, Debbie Procedo and Steve Procedo for helping out and making the program a resounding success!! We had participation from both Presidential candidates from the south and a fun time was had by all.

We will be having another Tiger College in the South and I will be scheduling that for March or April. If any of you trainers out there would like an opportunity to strut your stuff, please contact me, otherwise I will have to hunt you down!!! That I can do!

Don't forget to mention to your incoming 2009 Presidents and remind them of the upcoming Local President's Boot Camp

January 16-18, 2009 to be held at the Bug in Yosemite. This is the best opportunity they will have this year to get the scoop on their office. If they have any questions, have them call Sonia Rodriguez, our Tired Tiger for more information.

In closing, I wish you all a Happy Holiday Season and looking forward to a MORE prosperous 2009!!

Yours in Tiger Pride,

Brian Omatsu

Tiger Paw's Report

Hello Tigers,

I want to send a big thanks out to Debbie Holbrook and Kristin Hampton for coaching our first JCI Presenter training for the Region A chapters. In my 2009 Jaycee role as Region A Director I'll be calling on the Tigers to help provide more such trainings in Region A. I'm looking forward to a great year and a fantastic time with the Tigers in 2009.

Tight Tiger's Report

TIGERS TO LEAD BY EXAMPLE!!

We need to start raising funds for the next batch of National I.D. competitors....and time's a wasting!! The California Jaycees will be sending up to TEN competitors to the next National Competitions, held in Florida in March of 2009. Since that trip will be quite expensive, we are hoping to increase our funding as a show of support and encouragement. These are Jaycee members working to improve their skills, so let's show them we believe in them wholeheartedly! Please pick at least two options from the list below, and make them part of your personal budget for January or February.

Please help to support our competitors by:
--renewing your Annual Tiger Membership

- considering an upgrade to Life Membership status
- sponsoring a fellow Jaycee or Alumni to become a Tiger member
- purchasing Tiger products, like those shown on the website, including NEW ITEMS
- entering the quarterly / Year End Tiger Opportunity Drawing
- donating to our CA Jaycees I.D. Fund, and receiving a Tigers sponsor plaque
- joining us at the February Convention in Concord for the Tiger Meeting
- purchasing an ad in the Tigers Roar | Newsletter or on the Tigers website

Thanks to the following for their special support of the Tiger Programs:

- Robert Acherman – sponsored a fifth Tiger I.D. sponsor plaque
- * Past TT's Clarence Alvey #14 and Herb Pike #18 – Sponsored the 2nd Quarter Awards
- * YOU – for your continued support of

the Jaycees and the CA Tigers – KEEP GOING!!

So, please continue to support our Jaycee National I.D. Competitors. They deserve it!

District 12 Pride Director's Report

Last quarter, the focus of this column was on the Torrance Jaycees. This quarter, the focus is on my home chapter, the Santa Monica Jaycees.

In October, the Santa Monica Jaycees celebrated their 75th Diamond Plus Anniversary. The "plus" was for 77 years - Santa Monica always does things a little bit different! It was a great occasion, especially for the Tigers present. Tiger Tamer Michael Higby, 76th State President, presented fellow Tiger Hank Walther with a JCI Senatorship, only the 5th Senatorship awarded in the 77-year history of the Santa Monica Jaycees.

Hank was President of the Santa Monica Jaycees in 1975-1976 and was the first California Jaycees Vice President of Metropolitan Chapters. Hank's daughter Kristin and son-in-law Steve Chapin are also Tigers and Distinguished Service Award winners like Hank. Also in attendance at the gala were Mike Deveso, 50th State President, and Jeff Kimmel, Terrible Tiger #6, who had flown in from Florida for the

festivities.

This quarter's District 12 Pride Award goes to Jennifer Baker, 78th President of the Santa Monica Jaycees for her outstanding leadership of the chapter. This year, Santa Monica has been a top award winner in many categories including Top Chapter, Top Chapter President and Top Management Vice President. Santa Monica has also been an award winner in ID competitions. My sponsorship of the District 12 Pride award helps to support our ID competitors on the national and international levels.

The February 2009 state meeting should see a few new Tigers from District 12. I encourage anyone submitting Tiger nominees from District 12 to please work with me on the applications so that the applications will be submitted on time. Applications are due three weeks prior to the Tiger board meeting. It is never too early to start working on a Tiger nominee application!

Respectfully submitted,

Robert Acherman
